

# REAL SUPPORT FOR REAL LIFE

**Cigna Employee Assistance Program Presents:**

## **For Managers: Leading Generations at Work**

There are as many as five generations in the workforce today, and it's not unusual to notice some differences in how they approach the world of work. As a manager, this can be challenging. Understanding the influence of generational traits can help. We'll explore factors that helped shape the generations and how these can play out in preferences and styles at work. Learn what drives disconnects and how you can reduce friction and bring out the best in your team.
