PURPOSE AND SCOPE

The St. Thomas-St. John and the St. Croix Federations of Teachers, Locals 1825 and 1826, American Federations of Teachers, AFL-CIO, represent Paraprofessionals (formerly School Aides) who have an interest in educational excellence that is far beyond the scope of a collective bargaining agreement governing terms and conditions of employment.

The Parties recognize that the Department of Education has unilateral authority in the field of educational policy and development. This Agreement is not intended to modify by any of its terms any discretionary authority concerning such matters vested in these bodies by the statutes of the Virgin Islands Code or the Organic Act. It is also recognized by the Parties that all provisions of this Agreement may, during its life, be altered only by written agreement of the Parties. Nevertheless, it is hoped that a broad interchange of ideas, even in the areas of education policies and development, will contribute in a significant measure to the advancement of public education in the Virgin Islands.

Therefore, not only does this Agreement contain provisions relating to bargainable terms and conditions of employment, but it also provides for a system of communication and consultation whereby the Commissioner of Education, District Superintendents of Schools and the respective principals shall meet regularly with representatives of the Union to discuss matters of educational policy and development as well as matters relating to the implementation of this Agreement.

PREAMBLE

AGREEMENT, made this 1st day of September 2020, between the GOVERNMENT OF THE VIRGIN ISLANDS, DEPARTMENT OF EDUCATION, hereinafter called "Department", the ST. THOMAS-ST. JOHN FEDERATION OF TEACHERS and the ST. CROIX FEDERATION OF TEACHERS, affiliated with the AMERICAN FEDERATION OF TEACHERS, AFL-CIO, hereinafter called "Union".

WHEREAS, the Department and the Union believe in the importance of schools as agencies for the preservation and extension of our democracy; and

WHEREAS, the Parties to this Agreement have a common goal of providing the best possible education for all children; and

WHEREAS, it is the mutual responsibility of the Virgin Islands public school system and paraprofessionals to ensure that good order and discipline are maintained throughout the system and that paraprofessionals are fully supported in all reasonable measures taken by them to effectuate good order and maintain discipline in the schools; and

WHEREAS, to obtain this goal, it is imperative that there be understanding and cooperation between paraprofessionals and the Department which is responsible for the operations of the school system; and

WHEREAS, the Union has been duly elected by a majority of paraprofessionals as their exclusive representative for purposes of dealing with the Department on matters of paraprofessional concern; and

WHEREAS, the Parties desire to incorporate their agreements and certain other matters in a formal contract, and believe that such action is in the best interest of the community, children, school system and paraprofessionals;

THEREFORE, the Parties agree as follows:

ARTICLE I
RECOGNITION AND DEFINITION

Section 1:

The Department recognizes the Union as the sole and exclusive bargaining agent for all paraprofessionals employed in the public school system of the Virgin Islands.

Section 2:

The Union agrees to represent equally all members of the above defined unit of paraprofessionals.

Section 3:

A paraprofessional is a person employed in an official capacity for the purpose of assisting schools, teachers and/or activity centers in general teaching and/or non-teaching duties.

This shall not be construed to mean custodial cleaning or other duties generally performed by custodians.

Paraprofessionals who are to perform teaching duties may be required to meet applicable federal and local guidelines.

ARTICLE II

FAIR PRACTICES

Section 1: Paraprofessional rights

Paraprofessionals shall have and shall be protected in the exercise of the right (freely and without fear of penalty or reprisal) to form, join, and assist any paraprofessional organization or to refrain from any such activity. The Commissioner of Education shall take such action, consistent with law, as may be required in order to assure that paraprofessionals in the Department of Education are apprised of this right, as described in V.I.C. Title 24, Chapter 14, Section 363. No interference, restraint, coercion or discrimination shall be practiced in any paraprofessional organization.

Section 2: Free Speech

Paraprofessionals shall have the right of free expression at all school faculty meetings and with respect to all matters affecting the operation of the school system. All school/division meetings involving paraprofessionals shall be democratic with free encouraged participation by members. Paraprofessionals shall not be subject to disciplinary action because of the exercise of this right.

Section 3: Maintenance or paraprofessional files

Paraprofessional personnel files shall be maintained under the following conditions:

- (a) No materials relative to the paraprofessional's competence, character or conduct shall be placed in the paraprofessional's personnel file without prior written notice to the paraprofessional. However, an incident which has not been reduced to writing within twenty (20) working days of occurrence, exclusive of the summer period, may not later be added to the file.
- (b) Within twenty (20) working days after notification, the paraprofessional shall have the right to answer any material filed and his answer shall be included in his file.
- (c) Upon written request by the paraprofessional, he may examine non-privileged materials in his file in the presence of the Director of Human Resources or his designee. The examination shall take place not later than five (5) working days following the receipt of request. At the discretion of the Director of Human Resources, this request may be granted immediately. Upon request, a single copy of any non-privileged document in his file will be reproduced for the paraprofessional. The Director of Human Resources or his designee and the paraprofessional will affix their signature on the folder and indicate the date on which the file was examined. Only those personnel whose official duty requires may inspect a paraprofessional's file. When a paraprofessional's file is inspected by such a person, he shall indicate that he has examined the same by a written notice given to the supervisor of personnel files who shall be responsible for placing it in the file.

Section 4: Breach

Any material placed in a paraprofessional's personnel file in breach of paragraph 3A hereof, shall not be admitted as evidence in any grievance of disciplinary action against a paraprofessional or used in connection with a paraprofessional's dismissal, promotion or rating.

Section 5: Discrimination

The Department of Education and its agents shall not discriminate against any paraprofessional on the basis of race, creed, color, religion, national origin, sex, age, disability, marital status, political affiliation or participation in the activities of any employee organization.

Section 6: Oath of office

The Department of Education agrees that it will not require any paraprofessional to take an oath or affirmation of loyalty unless such requirement is established by law.

Section 7: Achievement file

Administrators shall place in the paraprofessional's file information of a positive nature indicating special abilities, achievements, performances or contributions of an academic professional or civic nature. Any such material received from outside responsible sources shall be included in the paraprofessional's personnel file.

Section 8: Removal from files

Material will be removed from the files when a paraprofessional's claim that it is inaccurate or unfair is sustained.

Section 9: Oral complaints

No written notation or record of an oral complaint received by the Department from any source shall be placed in the paraprofessional's personnel file.

Section 10:

Neither the department nor any employee of this unit shall solicit or make use of the services of any student for political purposes or management-labor disputes or activities related thereto.

Due Process:

A teacher or any school related personnel shall be entitled to union representation at any conference or meeting in which the teacher will be advised of an impending adverse personnel action.

ARTICLE III
GRIEVANCE AND ARBITRATION PROCEDURE

The foregoing procedure, which may be initiated by either party, shall be the exclusive means of settlement of all grievances arising under this Agreement.

1. A grievance shall be a complaint submitted by an employee or a group of employees having the same grievance, or by the Department:
 - a. That there has been a violation or misinterpretation of any of the provisions of this Agreement, or
 - b. That an employee has been treated unfairly or inequitably by reason of any act or condition which is contrary to established Department policy or practice governing or affecting employees.
2. A grievance must be filed within twenty (20) working days of the alleged incident or violation of the Agreement. However, this time limitation shall not apply to salary grievances. All references to "working days" shall not include Saturdays, Sundays, legal holidays or vacations. The following steps shall be observed:

STEP 1: A grievant who has a problem shall first discuss the matter with the principal or appropriate administrator on an informal basis. The grievant, if he so desires, may be accompanied by the building representative. If he is not so accompanied, the administrator may proceed to adjust the grievance without further notice to the building representative. Any grievance resulting from a decision of an authority outside the employee's immediate activity center shall commence with said administrator or supervisor.

STEP 2: In the event the matter is not resolved on an informal basis, a written grievance, filed by the Union, on behalf of the employee, setting forth the complaint shall be submitted to the principal or appropriate administrator within five (5) working days after the discussion provided for in Step 1.

Within five (5) working days after receiving the written grievance, the principal, supervisor, or appropriate administrator, the grievant, and the Union Representative shall meet in an effort to resolve the grievance. A decision shall be rendered in writing and furnished to the grievant within ten (10) working days from the date of the meeting.

STEP 3: The decision rendered shall be written and made available to the grievant within ten (10) working days from the date of the meeting. The aggrieved and the duly designated Union Representative may appeal in writing within ten (10) working days from the date of receipt of the decision to the District Superintendent or Commissioner or Designee.* The District Superintendent, or the Commissioner or Designee shall be required to confer in person with the grievant and his representative. The decision rendered shall be in writing to the appealing Parties

within ten (10) working days from the date of the appeal to the District Superintendent or Commissioner. In those cases where interdepartmental action is essential for the solution of a grievance, the time limitation set forth shall be extended an additional five (5) days. The Superintendent or the Commissioner or designee shall grant a hearing at his level for the following grievances: suspensions, demotions and dismissals.

*District Employees should appeal to the District Superintendent.

*State Employees should appeal to the Commissioner or designee.

Both Parties agree to use mediation to resolve grievances or impasse whenever possible before invoking the arbitration procedures.

STEP 4: If the aggrieved is dissatisfied with the decision of the District Superintendent, Commissioner or Designee, the aggrieved may, within ten (10) working days after receipt of the decision, request in writing, binding arbitration. An arbitration panel of no more than eight (8) local arbitrators shall serve on a rotating basis. They shall be selected by mutual agreement. In the event either party is unable to agree on a local arbitrator when his or her rotation is due or in the event that the Parties decide not to utilize the local arbitration panel, within ten (10) days the Parties acting jointly shall request the American Arbitration Association to provide the Parties a panel of five (5) arbitrators in accordance with the rules and procedures of the Association. The arbitration shall be conducted in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association. The decision of the arbitrator will be accepted as final by the Parties to the dispute. No decision shall be binding which by its terms alters, amends, or varies the provisions of the contract.

3. The time limits specified in this procedure may be extended in any specific instance, by mutual agreement of the Parties, in writing. If the grievant violates the time limits specified at any step of the grievance procedure, he shall not be permitted to advance his grievance to the next consecutive step. In all steps of this grievance procedure, the written decisions of the previous steps shall be presented to the appropriate administrator and the Union representative. If the Department at any stage of the grievance procedure fails to render its decision on a grievance within the specified time limit the grievant may advance immediately to the next step of the grievance procedure. In the event of arbitration for the sole reason that the Employer has failed to observe the time limit of Step III, the arbitrator's compensation and expenses shall be borne 75% by the Employer.
4. The arbitrator's compensation and expenses shall be shared equally by the Parties, except in the event of arbitration for the sole reason that the Employer has failed to observe the time limits of Step 3.
5. The fact that a grievance is filed by a member of the bargaining unit, regardless of the ultimate disposition, shall not be recorded in the employee's file nor in any file or record utilized in the

promotion process; nor shall such fact be used in any recommendations for job placement; nor shall such an employee be placed in jeopardy nor subjected to reprisal for having followed a grievance procedure.

6. A grievance may be lodged by a Union representative in the name of the Union.
7. If the Department is aggrieved by any action of the Union, a Union officer or any member of the bargaining unit, or if its grievance arises from the application or interpretation of any provision of this Agreement, the Department may invoke arbitration or utilize such other legal remedies it may feel necessary or appropriate under the circumstances, provided that informal efforts to resolve the grievance have first been initiated by the Department and an impasse is reached.
8. All grievances, including a grievance arising from dismissal, suspension or demotion, shall be governed by the provisions of this Article, provided that a proceeding for dismissal, suspension or demotion shall not result in loss of pay while pending and until final disposition.
9. Principals shall make arrangements to allow time without loss of salary for Union Building Representatives to process grievances.
10. In the event that any person or party fails to appear at an arbitration proceeding without just cause and prior notification, the Arbitrator shall proceed and his award shall have the same force and effect as though said person or party had been present.
11. A grievant shall have the following rights:
 - a) To be present at any hearing;
 - b) To hear testimony;
 - c) To give testimony;
 - d) To call others to give testimony
 - e) To question, either personally or through counsel, any person giving testimony at said hearing.
12. Pursuant to Title 5 V.I.C. Section 426 (b), prejudgment interest shall not be charged against the Government of the Virgin Islands on any judgment or decree for the payment of money by the Government.

Sick leave may be granted pursuant to prior requests, in appropriate cases, or pursuant to request made after return to duty. Contraction of a childhood disease shall not result in loss of sick leave for those members of the bargaining unit employed in the school setting.
2. An employee must submit proof of sickness for any absence from duty for which sick leave is requested, regardless of the length of such absence. Unless sick leave has been granted pursuant to prior request, an employee must, within three (3) hours of the start of his or her workday inform his or her immediate supervisor that he or she will not be reporting for work that day due to any sickness, injury, or disability. Failure to notify a supervisor in a timely fashion that his or her absence is due to any sickness, injury or disability may result in the entire day's absence being treated as annual leave, or personal leave where applicable, or leave without pay.
3. The Departments of Education and Finance shall keep accurate and complete records of all absences from duty by employees within the Department of Education and all reports of illness and requests for sick leave by those employees. Anyone who knowingly falsifies any such report or request, or otherwise knowingly permits a falsified request for sick leave to be processed, shall be subject to suspension and/or dismissal.

5. Proof of sickness for absence of less than three (3) days shall be by, at the option of the employee, either (i) a certificate from a practicing physician certifying that the employee was incapacitated for work, or (ii) a signed statement of the employee stating specifically the symptoms which incapacitated the employee for work; provided, however, that additional reasonable proof of incapacity to work, including a certificate from a practicing physician, may also be required by a department or agency head in individual cases.
6. An absence from duty of any employee whose request for sick leave is denied under this section shall be charged to annual leave, personal leave or leave without pay, at the option of the employee.

7. Any sick time taken by a paraprofessional on an approved family and medical leave, or an approved maternity leave, shall not negatively affect an employee's attendance rating.

Section 2: Personal Leave

1. Paraprofessionals shall be granted up to five (5) personal leave days which shall be non-cumulative from school year to school year.
2. Requests for personal leave shall be submitted in writing, at least two (2) working days prior to the first day leave for which leave is requested and no statement or reason shall be required, unless there is a reported emergency, but subject to the following:

 - b. Personal leave shall not be granted the first three (3) weeks or the last two (2) weeks of the school year.
 - c. First year employees shall not use more than three (3) of the five (5) personal days in any semester.
3. Requests for personal leave shall not be unreasonably denied. However, prior approval for non-emergency leave is required.

Section 3: Maternity Leave

Maternity Leave shall be granted in accordance with applicable provisions of the V.I. Code, and applicable Federal Law. Maternity leave is subject to the following conditions:

- A. As soon as a paraprofessional becomes aware of the pregnancy, she must notify her building principal in writing. This notification should include her expected date of delivery.
- B. A request for maternity leave by a paraprofessional should be given to the immediate supervisor, in writing, at least thirty (30) days prior to the date she wishes her maternity leave to begin. A tentative date for returning to duty shall be included in this request.
- C. After the delivery of the baby, the paraprofessional may return to the former position or one substantially similar thereto. Before returning she must furnish a statement from her personal physician that she is able to resume the normal duties of her job.
- D. The paraprofessional may request in writing extended leave beyond the tentative date of return to duty fifteen (15) working days prior to the date which she originally submitted.

- E. Maternity Leave shall be charged in the following order: First, to sick leave available to the employee's credit; Second, to leave without pay.

Section 4: Bereavement Leave

The Commissioner of Education or her designee may authorize bereavement leave up to four (4) days for death in a paraprofessional's immediate family. If circumstances necessitate the need for additional time off, employee may use sick and/or personal leave. In cases necessitating travel outside of the Territory, additional bereavement leave may be granted. Immediate family is defined as son, daughter, spouse, parents, mother-in-law, father-in-law, grandparents, children, grandchildren, sisters, sisters-in-law, brothers, brothers-in-law, stepfather, stepmother, stepchildren, and step-siblings.
