Division of Personnel Announces Annual Open Enrollment for GVI Employees and Retirees

US Virgin Islands–The Division of Personnel announces that Annual Open Enrollment will begin on **Monday, August 12, 2024, and continue through Friday, September 13, 2024**. During this period, all active government employees and retirees can enroll in or make changes to their health insurance plan, life insurance and update their beneficiaries.

The Division of Personnel will host a series of Open Enrollment sessions territory-wide, in collaboration with the partnering healthcare providers, to ensure that active employees and retirees can learn more about their entitled benefits. Retirees are strongly encouraged to attend these in-person sessions as they now have access to Bentek. During these retiree sessions, staff members will provide hands-on assistance to all retirees, regarding navigation and the utilization of the Bentek eligibility system.

Our Open Enrollment sessions are split between active employees, retirees and Human Resource officers. For the schedule of the virtual sessions please visit www.dopusvi.org or www.gviwellness.org.
