Division of Personnel Announces the Next Cohort of the GVI Financial Fellows Program

US Virgin Islands – The Division of Personnel is pleased to announce that the next cohort of the **GVI Financial Fellows Program** is seeking candidates. The GVI Financial Fellows Program is a two-year, entry-level position with three to six-month rotations in various agencies within the Government of the Virgin Islands (GVI). During the two-year program, individuals will complete challenging rotational assignments under the supervision of an assigned Departmental Fellowship Coordinator.

GVI Financial Fellows are full-time employees with the same benefits as other GVI employees. Fellows will work alongside a mentor who will guide them through a range of assignments, training, and professional developmental opportunities. In the second year of the fellowship, candidates will be responsible for identifying and completing a business challenge project that addresses a critical issue in the Government of the Virgin Islands. Upon successful completion of the program, Fellows will have the opportunity to seek full-time employment within any GVI agency.

APPLICATION PROCESS:

We will begin accepting applications for this program on June 27, 2025 and the application deadline is August 15, 2025. To be considered, all interested candidates must sign up and submit their applications through our website at www.dopusvi.org/careers. **There are limited slots available for this cohort** so please ensure submissions are completed by the **application deadline of 11:59 p.m. on Friday, August 15, 2025.**

QUALIFICATIONS:

All applicants for this program must have a bachelor's or higher degree from an accredited college or university obtained within the last three years. Disciplines of study for this program include Accounting, Business Administration, Finance, Mathematics, Project Management, Statistics, and Economics.

The Division of Personnel, in collaboration with our partner agencies, is delighted to continue offering this invaluable opportunity. Our Fellows will have the opportunity to deepen their understanding of government operations and local issues while acquiring significant professional experience essential for career advancement. We are confident that each Fellow will gain substantial expertise through on-the-job training, rotational assignments, shadowing opportunities, and formal training programs. Additionally, participants will learn to develop and implement innovative workplace solutions, gaining practical experience often required for young professionals entering the workforce, while also helping to position the GVI as an employer of choice.

For further inquiries, please contact Gabriel Knight, Strategy and Organizational Development Officer at gabriel.knight@dop.vi.gov.
