### **Division of Personnel Announces Temporary Office Closures for Employee of the Year Ceremonies**

US Virgin Islands — The Division of Personnel will proudly host the 2026 Employee of the Year Recognition Ceremonies in both districts to honor the outstanding dedication, professionalism, and public service of employees throughout the Government of the Virgin Islands.

The annual ceremonies recognize employees who have demonstrated excellence in their duties, a strong commitment to serving the people of the Virgin Islands, and a dedication to upholding the mission and values of public service. Honorees are selected by their respective departments and agencies for their exceptional work ethic, leadership, reliability, and positive contributions to the workplace and community.

To ensure the successful coordination and execution of these events, the offices of the Division of Personnel will be closed on the following days:

- Tuesday, June 2, 2026, the St. Croix office will be closed; the St. Thomas office will remain open to the public.
- Thursday, June 4, 2026, the St. Thomas office will be closed; the St. Croix office will remain open to the public.

These temporary closures will allow Division of Personnel staff to actively assist with event logistics, honoree support, and ceremony operations in both districts.

The Division of Personnel apologizes for any inconvenience these temporary closures may cause and sincerely appreciates the public's patience and understanding as we take time to recognize the hardworking employees who serve the people of the Virgin Islands each day.

For additional information and services during the closure period, the public is encouraged to visit [www.dopusvi.org](http://www.dopusvi.org).
