

GVI LEARN IS HERE!

Learning Just Got Easier.

The Government of the Virgin Islands is excited to launch GVI Learn, our new learning platform designed to make training and professional development more accessible and flexible.

With GVI Learn, you can:

Explore courses
and build new skills

Support your
career growth

Learn at your
own pace

Track your training
and progress

With access to thousands of free courses, there are opportunities to learn across areas including leadership, management, technology, project management, human resources, customer service, and more.
