Division of Personnel Announces Temporary Office Closure for Professional Development Activities

U.S. Virgin Islands – The Division of Personnel advises the public that its St. Thomas and St. Croix offices will have modified hours from Wednesday, October 14, through Friday, October 16, 2026, to allow employees to participate in professional development and employee appreciation activities.

- St. Croix: The office will be closed from Wednesday, October 14, through Friday, October 16, to accommodate staff travel.
- St. Thomas: The office will be open until noon on Wednesday, October 14, and closed for the remainder of the week.

Both offices will reopen on Monday, October 19, 2026, during normal business hours.

The scheduled activities provide an opportunity for the Division to recognize and celebrate its employees for their hard work, dedication, and commitment to providing quality service to the GVI workforce. The activities also support the Division's ongoing efforts to strengthen teamwork, encourage professional development, and foster a positive and engaged workplace culture.

During the temporary closure, services at both Division of Personnel offices will be unavailable. Members of the public are encouraged to plan their visits accordingly and, when possible, complete time-sensitive business before the closure.

The Division of Personnel appreciates the public's patience and understanding as it takes time to recognize its employees and invest in their continued growth and development. For additional information, please visit the Division of Personnel's website at www.dopusvi.org or follow us on Facebook at facebook.com/DOPUSVI/ for updates. Thank you for your continued support and understanding.
